Agenda

1. Why video games?
2. Data questions
3. Tableau dashboard analysis and deep dive
4. Conclusions and Q&A

Video Games?

- The gaming industry is the largest entertainment industry in the world
- They can be a great form of social interaction and competition with friends, sometimes even educational
- Video games are fun!

Data Questions

- How do video game sales correlate with game reviews/ratings?
- How about genres? And publishers? etc.
